### 1. General

These terms and conditions ("**Terms**") govern the use of the Website (defined below) and the Services (defined below). These Terms also include any guidelines, announcements, additional terms, policies, and disclaimers made available or issued by us from time to time. These Terms constitute a binding and enforceable legal contract between Adhesive Association and its affiliates ("**Company**", "**Glue Hub**", "**our**", "**we**" or "**us**") and you, an end user of the services ("**you**", "**your**" or "**User**") at <https://hub.glue.net/> ("**Services**").

Please note that Blockchain Networks, even if Glue Hub publishes domain names or other records to them, are controlled by third parties (who may be distributed networks of independent computers), and are therefore not included in the definition of the "Website". Therefore, your continued use of our Services is deemed your acceptance of the modified Terms and rules. If you do not agree to any changes to these Terms, please do not access or use the Website or the Services. We note that these Terms between you and us do not enumerate or cover all rights and obligations of each party, and do not guarantee full alignment with needs arising from future development. Therefore, our privacy policy, platform rules, guidelines and all other agreements entered into separately between you and us are deemed supplementary terms that are an integral part of these Terms and shall have the same legal effect. Your use of the Website or Services is deemed your acceptance of any supplementary terms too.

This Website and the Services are not available to residents of any jurisdiction in which accessing or using our Services is prohibited, or listed on the Financial Action Task Force (FATF) Grey list or Black list, European Union Sanctions list, United Nations Sanctions list, Office of Foreign Assets Control (OFAC) Sanctions list, as updated from time to time. We reserve the right to choose markets and jurisdictions to conduct business and may restrict or refuse the access of the Website and our Services in other countries or regions in our sole discretion.

## 2. Services

The following Services are available on the Glue Hub platform:

### A. Services offered directly by Glue Hub

Glue Hub aggregates and provides information and content ("**Information**"), including but not limited to real-time price updates, market capitalization data, trading volume information, historical price charts and data and information on circulating and total token supply, on cryptocurrency, utility tokens and other digital assets (together, "**Digital Assets**"). Glue Hub does not make any warranties expressed or implied, as to the accuracy, adequacy, quality or fitness for any particular purpose of the Information for a particular purpose or use and all such warranties are expressly excluded to the fullest extent that such warranties may be excluded by law. You bear all risks from any uses or results of using any Information. Glue Hub does not accept liability for any costs, losses or damages resulting from or related to the availability or content of the Information. The inclusion of the Information on the Website does not imply endorsement, recommendation, invitation or inducement by us.

### B. Services offered by dApps and third party service providers

Glue Hub aggregates and provides access to decentralized applications ("**dApps**") across multiple blockchain networks ("**Blockchain Networks**") and third party services ("**Third Party Services**") provided by third party service providers ("**Third Party Service Providers**") across multiple functions on the Glue Hub platform.

Glue Hub only provides you with access to the dApps and Third Party Services. Glue Hub does not have control over your interactions with the dApps and Third Party Services nor do we encourage you to interact with any. Any interaction performed by you via the Website remains your sole responsibility. We are not responsible for the dApps or Third Party Services, their functionalities or security, the execution of any transactions with the dApps or Third Party Services, or any other actions of the dApps and Third Party Service Providers. We reserve the right to add, modify, disable, suspend, discontinue or impose access restrictions or limits on the use of any dApps or Third Party Services displayed on the Website at any time without notice.

Your use of the dApps and Third Party Services may be subject to separate contractual agreements with the respective third parties. Those contractual agreements may involve separate fees and charges or may include disclaimers or risk warnings about reliance on or the accuracy of any information. Such terms may also apply a privacy policy different from that which Glue Hub maintains under its privacy policy. It is your responsibility to understand the terms and conditions of such dApps and Third Party Services, including how they use any of your information under their privacy policies. You hereby expressly release Glue Hub from any liability arising from use of any dApps, Third Party Services, third-party website, service, or content and any resulting harm, loss, or damage.

In order to be completed, all transactions with Digital Assets in relation to the use of the dApps and Third Party Services must be confirmed and recorded in the associated Blockchain Network. Such Blockchain Networks are decentralized, peer-to-peer networks supported by independent third parties, which we do not own, control, or operate. We have no control over the Blockchain Networks and, therefore, cannot and do not ensure that any transaction details that you initiate via the Glue Hub platform will be confirmed and processed. By using Glue Hub, you acknowledge and agree that any transaction details you submit may not be completed, or may be substantially delayed, by the Blockchain Networks. Errors or forks in the Blockchain Networks may cause transactions that you initiate through the Glue Hub platform to fail. Due to the decentralized nature of the Blockchain Networks, there is no one single point of failure, and so neither we nor any particular party will be responsible to you for errors or any losses that you suffer as a result.

### **3. Fees**

During the course of your access and use of the Services, you may incur various transaction fees ("**Gas Fees**"). Gas Fees generated on any Blockchain Networks in relation to your use of the dApps or Third Party Services will be borne and paid by you. The value of the Gas Fees changes, often unpredictably, and is entirely outside of the control of Glue Hub. You acknowledge that under no circumstances will a contract, agreement, offer, sale, bid, or other transaction be invalidated, revocable, retractable, or otherwise unenforceable on the basis that the Gas Fee for the given transaction was unknown, too high, or otherwise unacceptable.

There may also be other fees payable to dApps or Third Party Service Providers ("**Third Party Fees**") that arise during your access and use of the Services. If you access the dApps and/or Third Party Services and use their functionality or services, then any fees charged therein are exclusively and solely by such dApps and Third Party Service Providers and not by us. Please read and decide on accepting the terms of the Third Party Fees before deciding on whether to use the dApps or Third Party Services. You shall at all times be solely responsible for paying any and all of these Third Party Fees that may arise.

Please note that Glue Hub does not currently charge any fee for the access or provision of its Services ("**Service Fees**") but we reserve the right to charge you Service Fees in the future. The Service Fees may be in the form of a percentage of your transaction amount through the use of the Services or a certain number of Digital Assets as determined by Glue Hub. Any Service Fees schedule shall be published on the Website from time to time, and Glue Hub reserves the rights to update such Service Fee schedule, if any, in its sole discretion.

### **4. Account, Digital Wallet, Non-Custody and Eligibility**

A User may browse the Website without registering for an account ("**Account**") with the Website. You may be required to register an Account in order to access and use certain features on the Website. If you choose to register an Account, you agree to provide and maintain true, accurate, current, and complete information about yourself as prompted by the Account registration process. You are responsible for maintaining the confidentiality of your Account and password, if any, and are fully responsible for any and all activities that occur under your password or Account. You agree to (a) immediately notify Glue Hub of any unauthorized use of your password or Account or any other breach of security, and (b) ensure that you exit from your Account at the end of each session when accessing the Website. Glue Hub will not be liable for any loss or damage arising from your failure to comply with this clause.

In order to interact with certain dApps or Third Party Services, you may be required to connect your Account to your digital wallet supported on MetaMask, Rainbow, Coinbase Wallet, WalletConnect or other wallet extensions or gateways as allowed on the Website ("**Digital Wallet**"). Such Digital Wallets may allow you to purchase, store, and engage in transactions with the dApps or Third Party Services using the cryptocurrency native to the applicable Blockchain Network with which you are engaging. By using your Digital Wallet in connection with the Services, you agree that you are using that Digital Wallet under the terms and conditions of the applicable provider of the Digital Wallet. Digital Wallets are not operated by, maintained by, or affiliated with Glue Hub, and Glue Hub does not have custody or control over the contents of your Digital Wallet and has no ability to retrieve or transfer its contents. Glue Hub accepts no responsibility for, or liability to you, in connection with your use of a Digital Wallet and makes no representations or warranties regarding how the Services will operate with any specific Digital Wallet. You are solely responsible for keeping your Digital Wallet secure and you should never share your wallet credentials or seed phrase with anyone. If you discover an issue related to your Digital Wallet, please contact your Digital Wallet provider. Likewise, you are solely responsible for your Account and any associated Digital Wallet and we are not liable for any acts or omissions by you in connection with your Account or as a result of your Account or Digital Wallet being compromised. You agree to immediately notify us if you discover or otherwise suspect any security issues related to your Account or Digital Wallet.

Glue Hub operates non-custodial Services which means that it does not buy, sell, retrieve, transfer or ever take custody or possession of any of your Digital Assets. We are not able to take custody of your assets. The User understands and acknowledges that the Blockchain Networks do not give Glue Hub custody, possession, or control of any Digital Asset at any time for the purpose of facilitating the Services or transactions on Glue Hub. If you lose or mishandle any Digital Asset while using the Services, you acknowledge that you may not be able to recover such Digital Asset and that Glue Hub is not responsible for such loss nor is Glue Hub under any obligation to compensate or indemnify any lost Digital Assets to you or assist with the recovery of lost Digital Assets.
